A collection Of Outdoor spaces for learning and play...

Sat at home nursing a nasty cold and sore throat, looking at beautiful images of learning playspaces... and thought I would share a few of them with you...

A Mud kitchen at Fazeley Preschool... you can go there blog and check out how it was made... [Fazeley Preschool, UK](#)

There are several images of the natural classroom at [A Child's Touch](#) where they have kept the four elements... water, air, earth and fire as a central theme.
